## DECISION OF THE KWU ANTI-DOPING COMMISSION ON REVISION OF THE RESULTS OF THE 4<sup>TH</sup> KWU KYOKUSHIN WORLD CHAMPIONSHIP AMONG MEN AND WOMEN IN WEIGHT CATEGORIES

April 10, 2020

In line with the principles of fair play and the requirements of the World Anti-Doping Agency WADA, the Kyokushin World Union ensures that during its competitions all prize-winners undergo doping control procedures in full compliance with international standards.

According to the results of the 4<sup>th</sup> KWU Kyokushin World Championship among men and women in weight categories, which was held in Nur-Sultan, Kazakhstan on December 7-8, 2019, 60 competitors won medal places, each of them was tested for doping.

As indicated on the report received from the WADA accredited laboratory “Institute of Doping Analysis and Sports Biochemistry (IDAS)-Dresden”, Dresden, Germany, 5 samples tested positive.

In this regard, based on the Provision of the 4<sup>th</sup> KWU Kyokushin World Championship among men and women in weight categories, doping tests results, letters of explanation received from competitors and their coaches, as well as international principles against doping, the KWU Anti-Doping Commission announces the following decision:

1. To invalidate the results of the following competitors of the 4<sup>th</sup> KWU Kyokushin World Championship among men and women in weight categories due to the detection of prohibited substances in their samples:

**In weight category women under 55kg:**
